## NATIONAL LABOR RELATIONS BOARD REGION 22

LOCAL 560, I.B.T.

Cases: 22-CC-083895

22-CE-084893 22-CC-099341

And

COUNTY CONCRETE CORPORATION.

EXCEPTIONS OF RESPONDENT, LOCAL 560, TO FINDINGS
AND CONCLUSIONS OF ADMINISTRATIVE LAW JUDGE

## **EXCEPTION 1:**

To the ALJ's finding that Local 560 violated Section 8(e), as the charge filed against Local 560 (22-CC-099344), the only charge to be decided by ALJ Amchan, did not allege conduct in violation of Section 8(e). ALJ Decision pg 6, l. 17-18.

## **EXCEPTION 2**:

To the ALJ's finding that the Winter 2013 Update was motivated "on its face" by a cease doing business object in violation of Section 8b(ii)(B).

## **EXCEPTION 3:**

To ALJ's determination to disregard, and his failure to discuss, adhere to, or distinguish hiatus between any threats to picket, and in this matter, hiatus lasting a period of seven (7)

months, such that the hiatus operated to distinguish and segregate the prior unlawful conduct, thereby requiring the new conduct to be evaluated on its own basis. The ALJ's failure to apply a hiatus analysis, and to disregard hiatus was error. (ALJ Decision pg. 5, L.16, pg. 6, L.1-4).

Respectfully submitted,
